Become a Member of Mustang Booster Club

We are committed to growing the culture and camaraderie at Millard North High School. Our goal is to collectively fill the funding gaps and revenue stream changes so that all of our students in clubs, activities and sports have the tools and resources they need to compete at their highest levels. Without your membership this can not happen. We NEED your help!

Membership has gone paperless this year. Online membership is now done through Sports Engine. The membership link can be found at:
